For years beyond our ken,
The light he leaves behind him lies
Upon the paths of men."

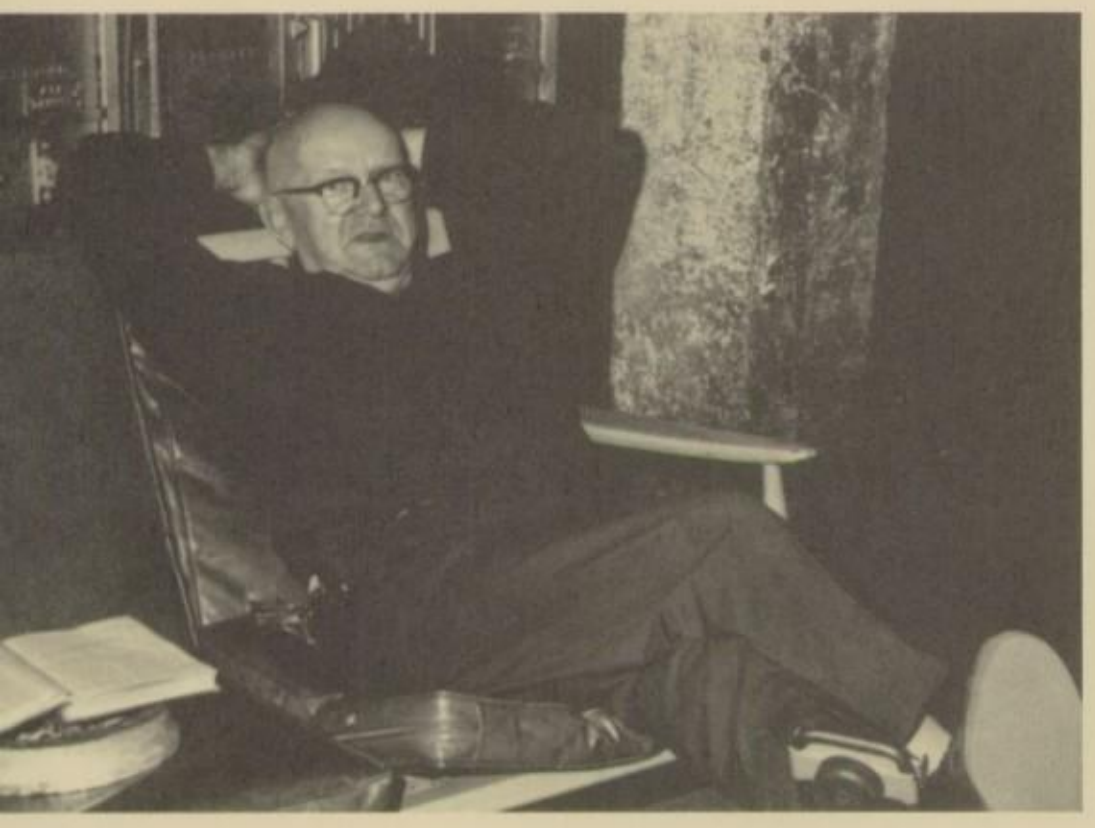
This House Is Mine, and Yet

This house is mine . . . the very special scene of a very happy time in our lives. Memories are centered around our "house"; some happy, some sad, but all our very own.

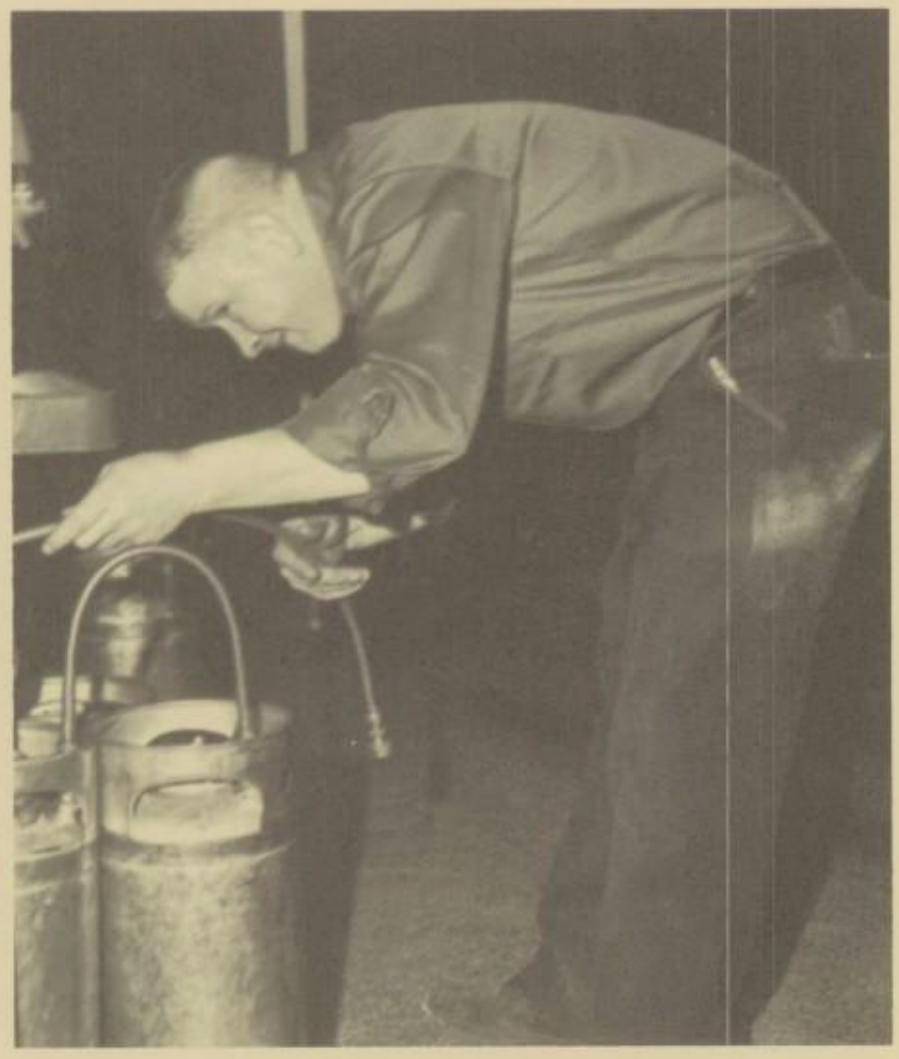
But yet not mine . . . there comes a time when we know we must say goodbye, knowing that our places will soon be filled by younger students.

Not Mine

Another Comes, and Yet It



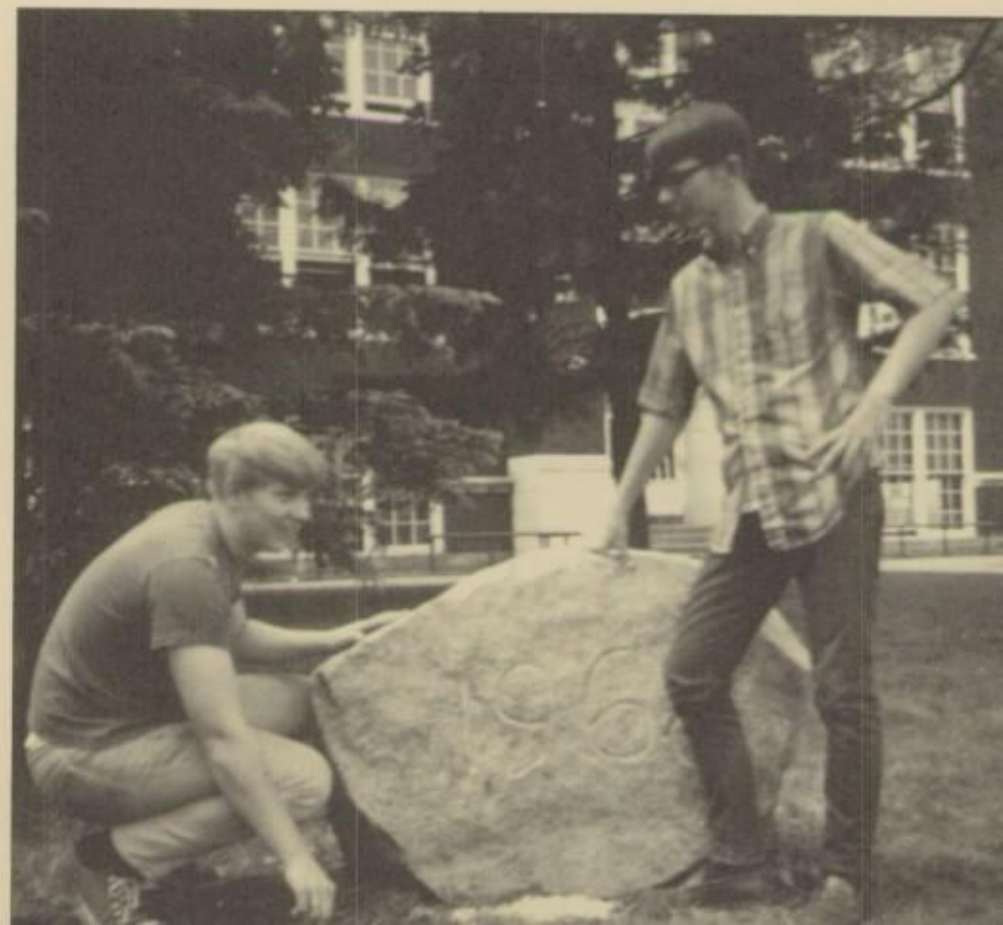
Is Not His



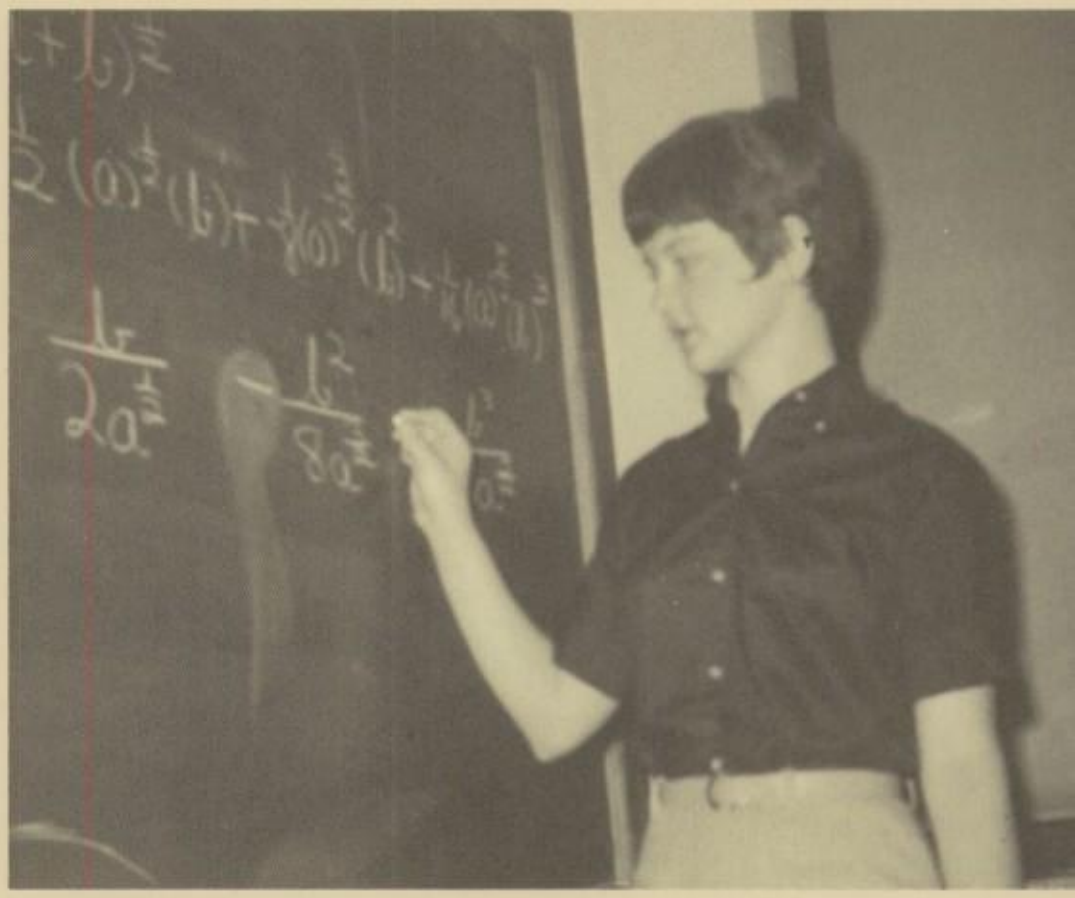
He may be a complete outsider, or one who has learned to love this house of learning. Regardless, he makes his contribution and passes on his way.

This Is B.H.S.: The Challenge

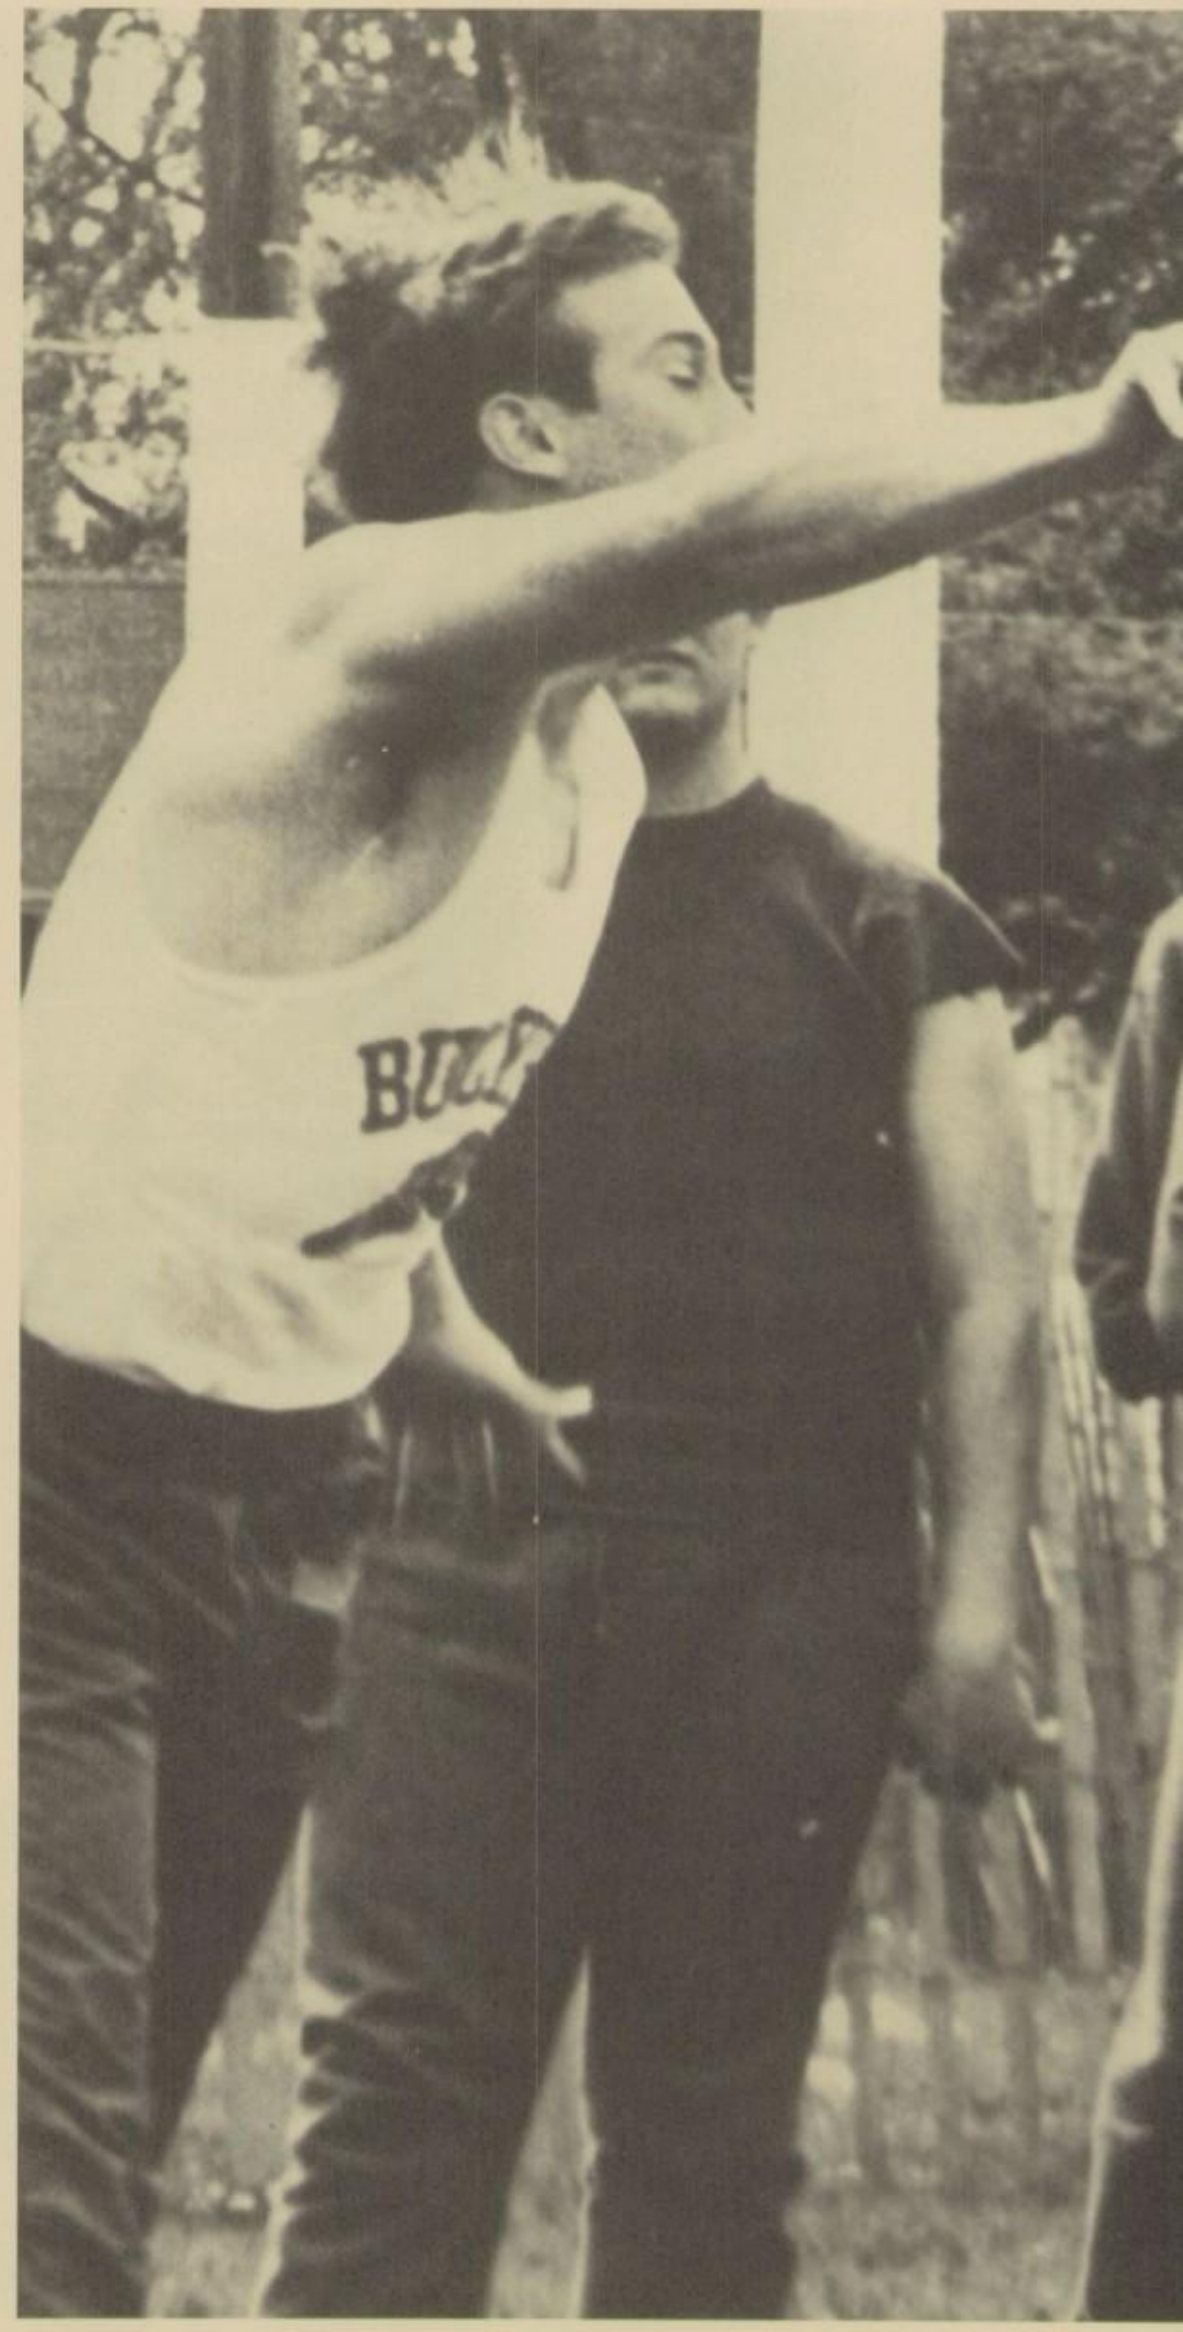
During the high school years, each person is challenged to excel, no matter what his special interest may be. Through this competition, whether in scholarship or sports, he gains a truly well-rounded education.



to Excel

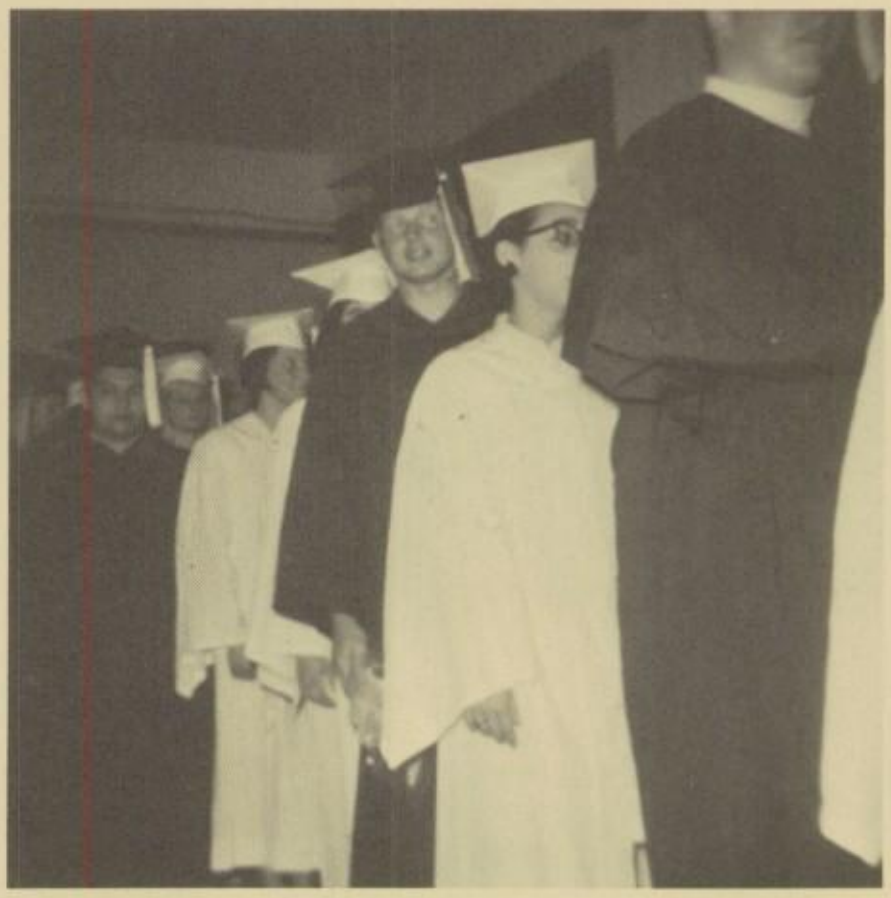


. . . And Then Depart



To the older students, it is hard to believe that life will continue at B.H.S. after they leave, not remembering that others will quickly take their places. Even as they take their first steps as graduates, they are forgotten as another class steps into the spotlight.

These students too will soon be gone, but with them they will take all the funny, sad, horrible, and wonderful memories of their special "house."



ACTIVITIES

Capacity Crowd Witnesses Queen Coronation

Surrounding Queen Bobbi are the members of the 1968 Homecoming Court: **SEATED:** Lottie Wilkes and Patty Williams. **STANDING,** Jan Cochran and Polly Anslow.

Clothed in her royal robe, Bobbi watches the activities of the dance from her throne. Bobbi's escort Tom Hubble, adjusts her crown.

RIGHT: Back in the grandstand after crowning ceremonies Bobbi breaks into a radiant smile.

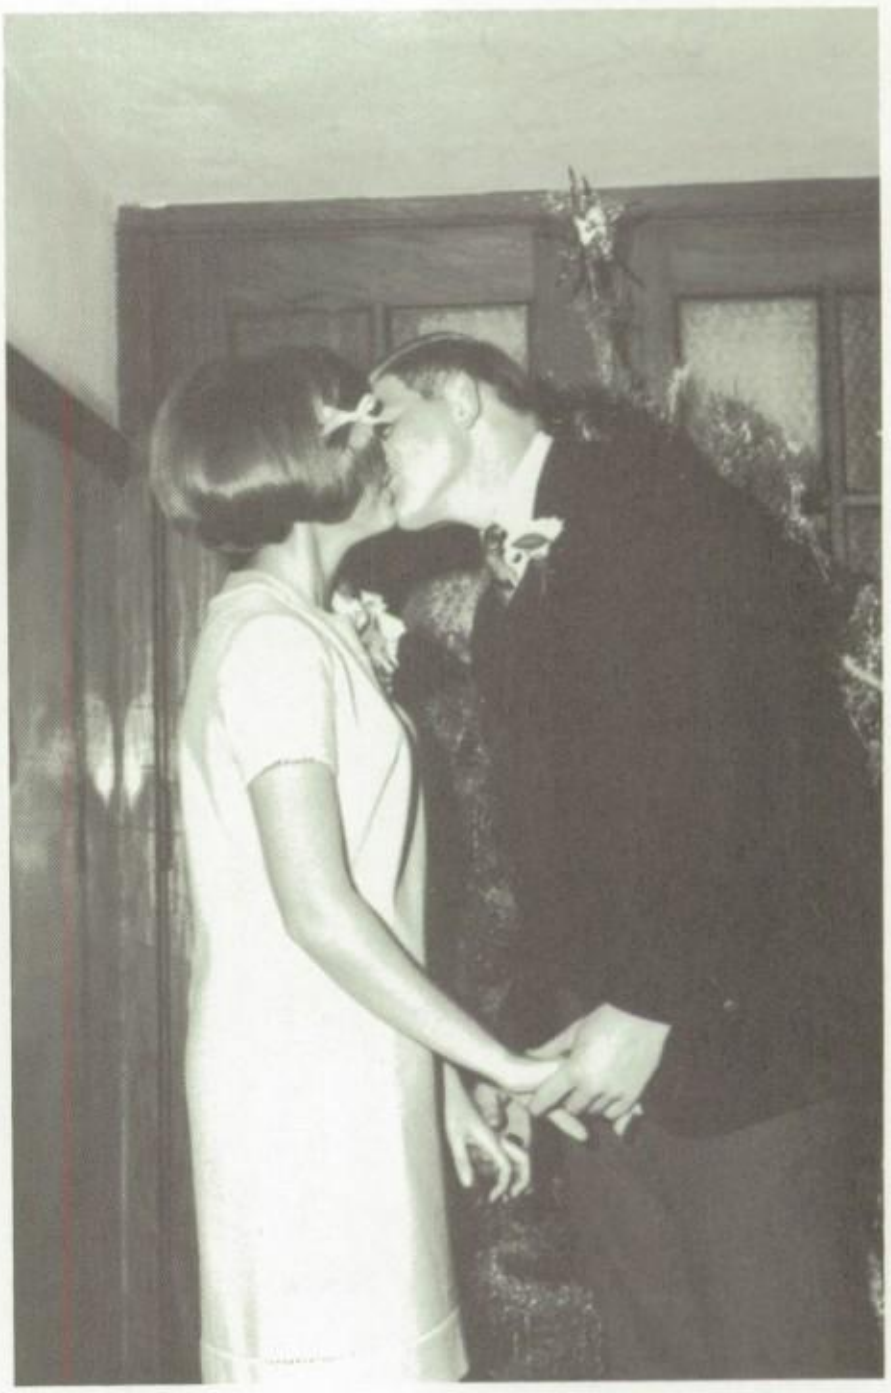
Despite the rainy, dreary night of November 3, 1968, a capacity crowd witnessed the crowning of Miss Bobbi Lambert as Homecoming Queen. Bobbi and her court, comprised of Patty Williams, Polly Anslow, Jan Cochran and Lottie Wilkes were honored at the traditional Homecoming dance in the high school gym, following a 27—0 victory over Tiffin Columbian.

Snowball Highlights Holiday Season

The highlight of the holiday season was the annual Snowball sponsored by the Inter-Club Council.

Decorations included streamers and gigantic crepe paper ornaments in Christmas colors hung from the ceiling. Over fifty couples danced to the music provided by the Robert Batton Dance Band.

The center of attention was a huge snowman standing in the middle of the dance floor. Barb Gephardt and Henry Felkey stop to inspect it.



Standing beneath some imaginary mistletoe, Jan Jones and Jon Grimes get into the holiday spirit.

Between dances, Art Baggett and Shelly Mollenkopf rest their weary feet.

Hiding behind a construction-paper caroler, Linda Mutchler expresses her dislike for having her picture taken.

Varsity Night Draws Capacity Crowd

Varsity Night 1968, sponsored by Senior Hy-Y, filled the house. The Hi-Y boys, with their adviser Mr. Matula, put in long hours of hard work to make it a success.

Four clubs presented skits in the competition. First place went to Speech Club; second, Future Nurses Club; third, Library Club; and fourth place, Band. In-between skits were presented by members of Hi-Y.

The highlight of the evening was the queen competition. Sixteen of the various clubs were represented by their elected candidate in the contest. Miss Poly Anslow was selected to reign as Varsity Night Queen of 1968.

As last year's queen, Miss Jessie Helfrich, places the crown on Polly's head, master of ceremonies Lee Bridges waits to present her with a bouquet of a dozen red roses.

With tears of joy and an expression of disbelief, Queen Polly accepts congratulations from the other candidates.

Left: Playing the role of a new father in the Future Nurses Club skit, Linda Vanderkarr carries on an excited conversation with "Nurse" Jenny Wagner.

Above: In the Library Club skit, Bill Usher performs a hippie marriage ceremony for Joy Lysinger and Marc Bloomfield.

Hi-Y boys put a lot into the in-between skits. An example is Tim Raybuck, above.

Members of Senior Band take part in a skit called "Spanky and His Gang."

Taking time out to relax before curtain time, Linda Esterline and Joan Rinker collapse on one of the props.

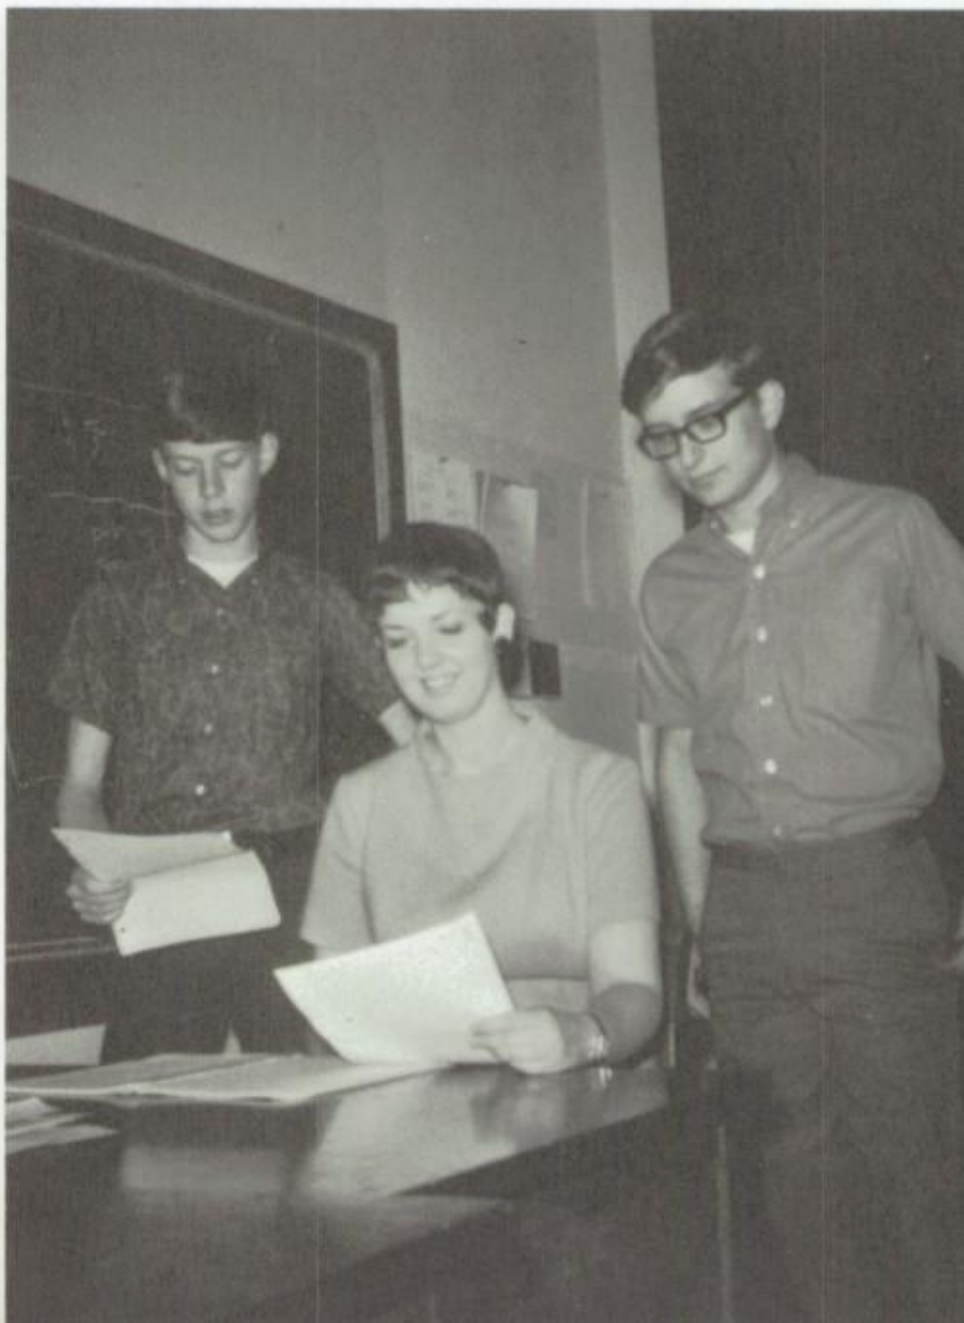
Enjoying a romantic embrace, Mike Saam and Ron Rupe portray newlyweds on their wedding night in the Speech Club skit.

Ken Vaughan Elected to Lead Student Council

After delivering their speeches, the candidates, flanked by their campaign managers, Sharon Dunlap and Patty Rankin, respectively pose for pictures. The winning pair, vice-President Sherry Frey and President Ken Vaughn, stand beside the opposing candidates, Arlie Woodrum and Rose Smith.

Before the election assembly, the campaign crew for both sets of candidates plastered the auditorium with signs.

With Miss Jan Peters' constructive criticism, candidates Ken Vaughn and Arlie Woodrum rehearse their speeches.



Congratulating Rich Ziegler on his fine recitation of a poem concerning Ken and Sher's qualifications, is Donis, "The Judge", Slaughter, who declared them the best candidates.

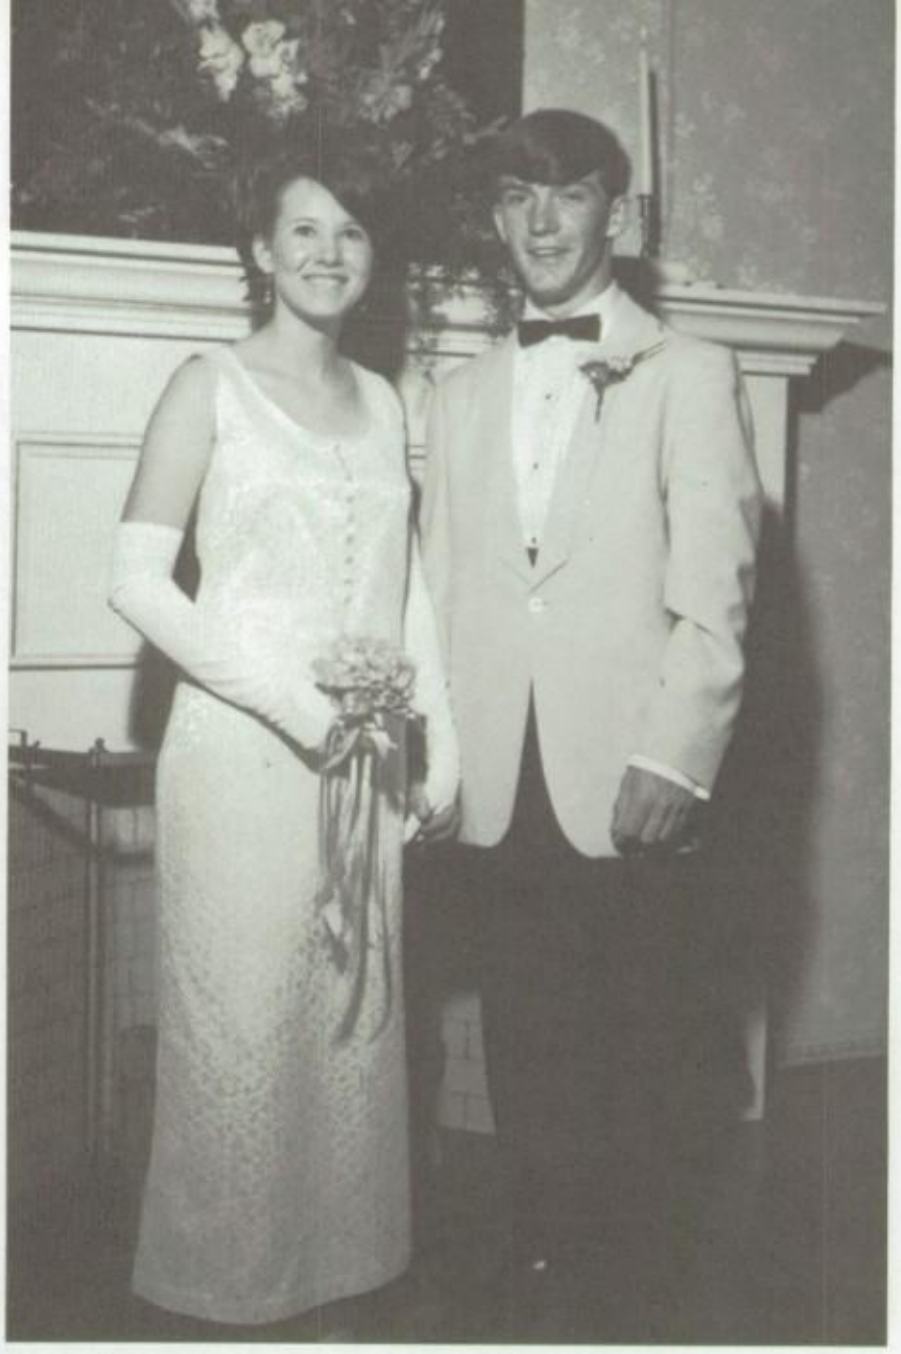
The Student Council elections this year filled the students with excitement, anxiety, and a competitive spirit. It also filled the halls of B.H.S. with hundreds of signs and the auditorium with bushels of confetti. At the election assembly, students seeking class offices and those running for Student Council representative were presented to the student body. Ken Vaughn and his running mate, Sherry Frey, along with the team of Arlie Woodrum and Rose Smith delivered campaign speeches. Voting took place in the auditorium during noon hours. The hard-fought battle resulted in the election of Ken Vaughn and Sherry Frey as President and Vice-President of Bucyrus High School Student Council for 1968-69.

A chorus line of Junior boys performed for the student body.

The theme song for Arlie and Rose was presented by the Disraeli Gears, composed of Doug Schnabel, Terry Cross, Gary Auck, and Bill Crockett.

RIGHT: The white brick fireplace provided an ideal setting for picture-taking. Rita Powers' and Ron VanHouten's expressions indicate their enjoyment of the occasion.

BELOW: A.F.S. student Rich Martin displays his champion ping-pong form.



BELOW: Entering the auditorium visitors viewed the exterior of a stately southern mansion.

BELOW: Formally dressed couples danced to music provided by the Larry DeGrange dance band.

Juniors Transform Gym Into Southern Ballroom

ABOVE: Lovely tables and chairs offered the perfect place for Juniors and Seniors to rest their aching feet as Tom Kanable and Fran Calkin discover.

Dedication, imagination, and hours of hard work on the part of the Juniors resulted in an effective Southern atmosphere which carried out beautifully their theme, "Southern Plantation." Juniors and Seniors ascended white stairways to reach the "porch" of the mansion. White pillars which stood out from the white brick wall supported a balcony. Through the doors, the couples entered a magnificent ballroom furnished with tables, chairs, paintings, sofas, statues and two crystal chandeliers.

Following the 8:00-11:00 formal dance, Seniors were honored at a buffet dinner in Carlisle Gym.

Buses left at 1:00 to take the students to the Galion Civic Center for the all-night party. There, Juniors, Seniors, and invited guests enjoyed swimming, pool, ping-pong, and dancing to music by the 4 O'clock Balloon.

LEFT: As the evening wore on, the Juniors and Seniors engaged in less strenuous activities. A tired Tim Ridge enjoys a friendly game of poker with Jeff Morris.

LEFT: Pool was a popular pastime at the post-prom party. Ron Widman concentrates on a combination shot.

Talented Seniors Star in Class Musical

Seniors this year presented something different—a musical "She Loves Me" concerned two co-workers in a parfumerie, played by Barb Gebhardt and Larry Walimire who were carrying on a correspondence with "Dear Friend", not knowing they were writing to each other. The play is enlivened by co-workers Bill Usher and Kathy Vasil as Steven Kodaly and Ilona Ritter, who are constantly having lovers' quarrels. Other Seniors with lead roles were Bob Rahm as Mr. Maraczek, the owner and proprietor of the parfumerie, Dean Schell as Arpad, the delivery boy and Dick Wenninger as clerk, Ladislav Sipos, George's close friend and adviser.

On her way to meet "Dear Friend", Barb Gebhardt, as Amalia Balash, sings "Will He Like Me".

Excited customers, Lottie Wilkes and Linda Esterline, complain to clerk Bill Usher.

With John Seele's violin music creating a romantic atmosphere, Larry Walimire, as George Nowack, sings "Tango Tragique" to Barb Gebhardt.

Following a lovers' quarrel, Bill Usher, as Steven Kodaly, serenades Kathy Vasil with "Ilona".

Under the direction of Barclay Rohrbaugh, the chorus members rehearse their numbers.

Behind the scenes, Mr. Rohrbaugh, musical director and Miss Jan Peters, director, discuss some unfinished details of the musical.

Senior Day Arrives

ABOVE: The hungry ones, Mike Miller, Bob Carle, and Greg Brown head the line of Seniors waiting to be served breakfast.

RIGHT: Among the many awards presented during the recognition assembly, Senior class president Bill Usher presents Miss Thompson with a gift to show appreciation for her efforts as class advisor. The Seniors expressed their gratitude with a standing ovation.

ABOVE: Several contented Senior boys sit back and converse. while their breakfast digests.

Senior Day began bright and early with a 6:30 breakfast at Aumiller Park, where teachers prepared a meal of ham and eggs, rolls, juice, and milk for the tired but hungry Seniors. At 1:00, following Baccalaureate and Commencement practices, the annual Senior recognition assembly began. Seniors marked the farewell of the 99th graduating class of Bucyrus High School by the tolling of the bells.

Dr. P. H. Augustine, educator and minister from East Springfield, Pennsylvania, advised the Seniors on "What To Do When Life Get's Difficult."

The 99th graduating class of B.H.S. held commencement exercises May 29, 1968, in the high school gym. Speakers for the ceremonies included two seniors, Pam Stevens and Dean Schell, who gave student addresses. The guest speaker, Dr. P. H. Augustine, was introduced by Superintendent Dr. John P. Toth. Presentations were made by Bill Usher and Sherry Frey. As president of the Senior class, Bill Usher stated that the class would donate its entire fund of $600 to the Alex Kish Memorial Scholarship Fund. Melvin Slaughter as Junior class president, accepted the sum. Mr. Carter then presented the 204 Seniors to President of the School Board, Dr. Wenner who awarded the diplomas. After the singing of the Alma Mater by the class of '68 the Seniors filed out leaving behind them the "High school halls and high school walls —the B.H.S. they love."

The Bucyrus Redmen have a season to be proud of, winning 8 games out of 10 and earning 2nd. in the NOL.

The boys worked hard and dedicated themselves to a winning year. Under the sure hands of Head Coach, Robert Boyles the team worked for perfection and unity, and each game played showed improvement. Although they did not win all the games, they never gave up, and when the going got tough the Redmen got tougher.

The Redmen were in top flight condition all through the year and this was a major factor in the fine season. Not to be forgotten are cheerleaders who gave the boys spirit and desire to try harder when the chips were down. Win or lose they were always giving support. The school owes much to the Redmen this year. To the coaches who brought football back to Bucyrus, an even greater debt is owed.

Co-captains Tim Raybuck and Jon Grimes were hard-working team leaders.

Head Coach Bob Boyles receives Col. Crawford game ball to close the '67 football season with 8—2 record. Handing ball to Coach Boyles are seniors Tim Raybuck, Dan Barnhart, Denny (Bullet) Loy, Tom Roberts, and Randy Tidaback.

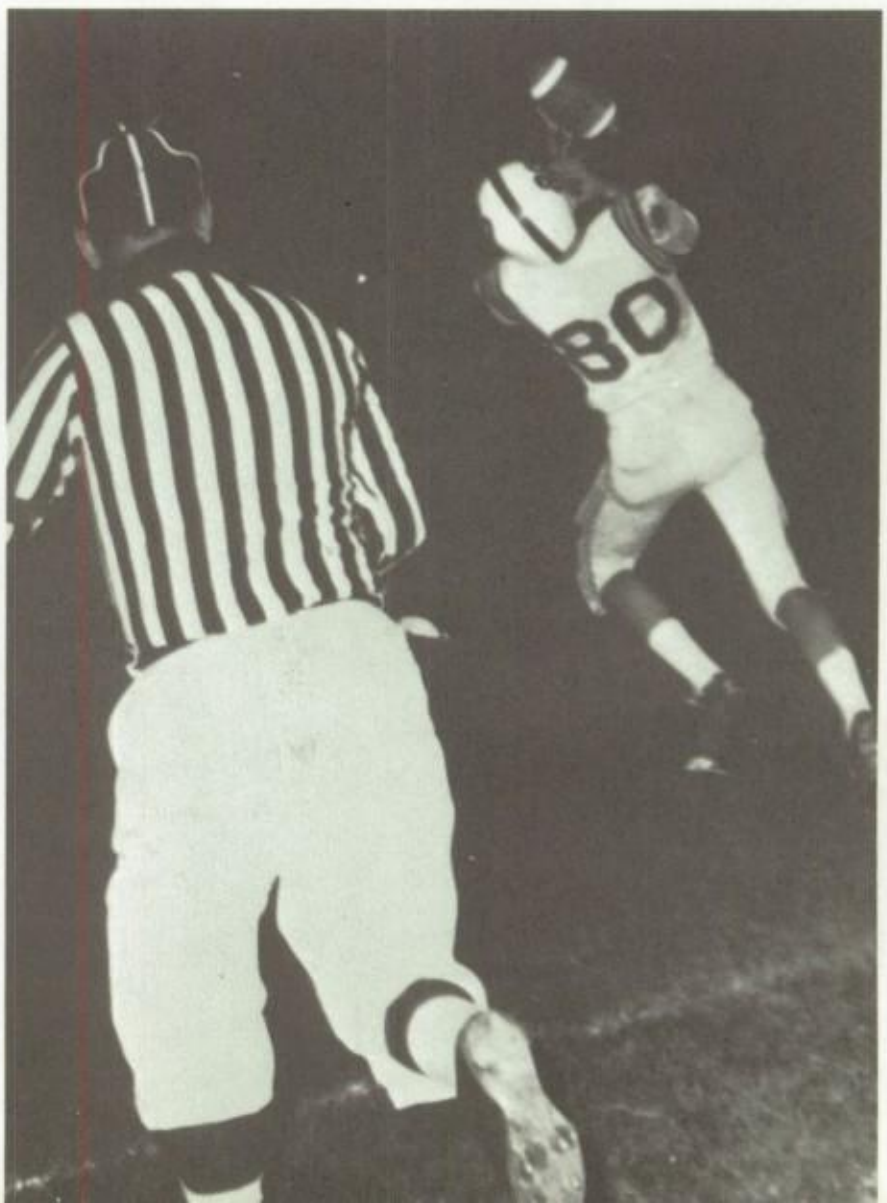
The Redmen had one thing on their minds on Friday night before the game and that was to win. Team work and desire were the keys that opened the door to victory.

The games of 1967 will be long remembered by the boys who played football at B.H.S.

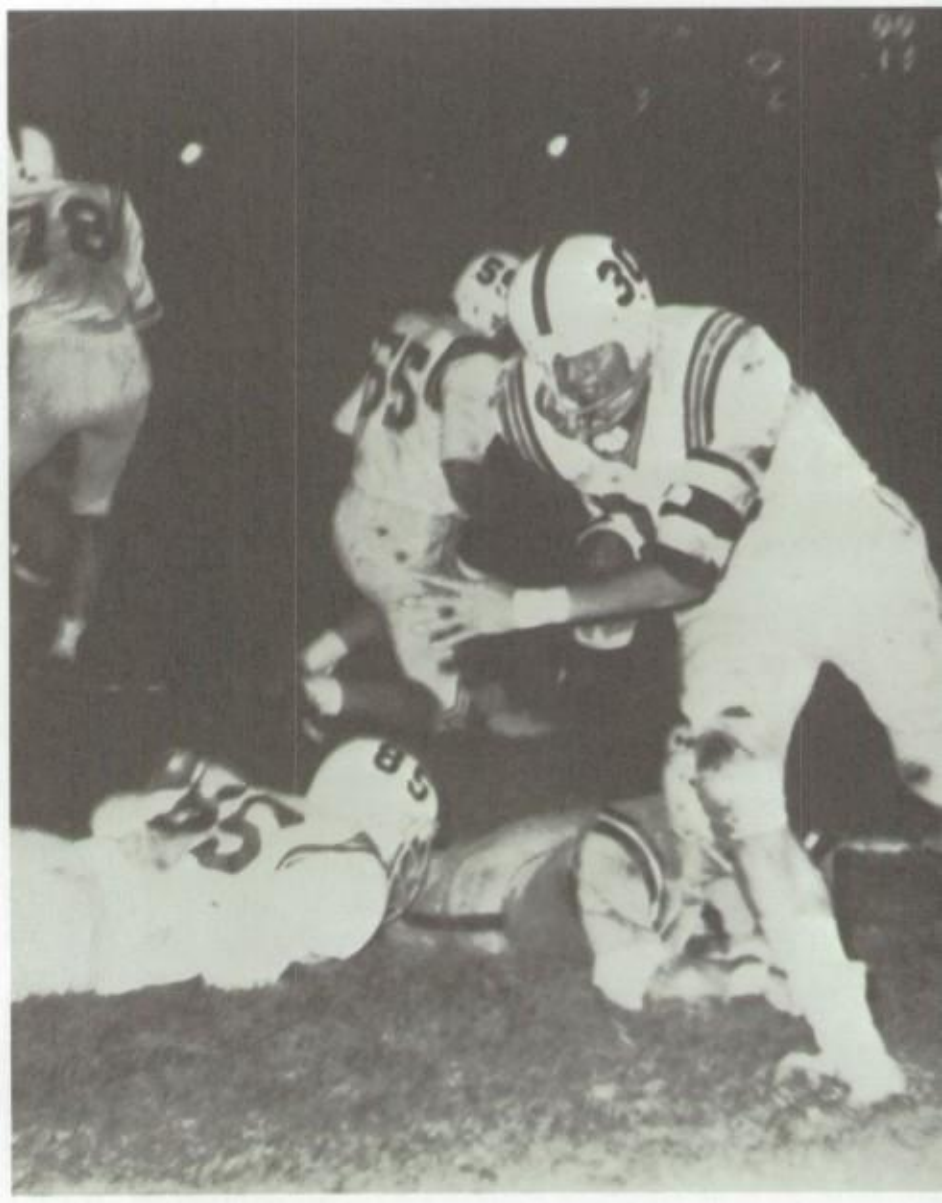
Junior Mel Slaughter bulls his way to a TD against stubborn Willard. Quarterback Tom Roberts throws an essential block.

Seniors Steve Grimes and Tim Raybuck received All-NOL honors. Steve is holding his 3-year Letterman award while Tim poses with his Michael trophy he received for being the team's most valuable player.

Sophomore end Steve Foulk pulls in his first TD pass as a varsity gridder. Steve's TD helped the Redmen to a 27—6 victory over Col. Crawford.



Small but mighty, All-Ohio Honorable Mention Randy Tidaback contributes greatly to a fine season.



At right, versatile Jon Grimes (30) gallops for a nine-yard TD with help of blockers Don Born (85), Ned Raybuck (78), and Dennis Markley (55). Senior Tom Roberts (19) looks on.

Season's Highlights

TIFFIN CALVERT 14—BUCYRUS 13

The 1967 football season opened on Lane Street Field. The Redmen of Bucyrus played host to the Senecas of Tiffin Calvert. Penalties and mistakes, both offensively and defensively, marred the Redmen attack.

SHELBY 32—BUCYRUS 14

The biggest challenge of the year faced the Redmen as they traveled to play the seventh ranked Shelby Whippets. A great display of courage was shown as the Redmen fought from behind during the first half.

Injuries, fumbles, and playing "catch up" football took their toll in the second half. The bigger Shelby team showed its power and was too much for the Redmen. Bucyrus suffered their second setback of the season 32—14.

BUCYRUS 27—BELLEVUE 13

Bucyrus traveled to Bellevue for the eighth game of the season. The Redmen were determined to pick up the pieces and "come back."

"Come back" they did. The defense was as strong as they had been all season in stopping Bellevue's attack.

Redmen Capture 14—6 Season for N.O.L. Title

Five seniors led Bucyrus High School to its finest season in years. Bucyrus succeeded in winning a first place tie for the Northern Ohio League and capturing its first tourney game since 1954. The team played aggressive ball throughout their 14—6 season. Fans by the score turned out hours ahead of time to cheer this team to victory. John Seele amazed the crowd with his tremendous rebounding and inside shooting ability. The forward combination of Tom Roberts and Willie Robinson added the extra excitement that was typical of this year's team. Their shooting ability completely astounded the Bucyrus fans, as they shot a yearly percentage of .443. The playmakers, Bob Hamm and John Sears, with their cleverly executed strategy played an important part in winning games. It was a year of awards and distinction for Bucyrus team members. The award of a place on the Northen Ohio League first team went to John Seele. The second team title went to Tom Roberts with honorable mention to Bob Hamm. The highest rebounding trophy went to John Seele and the foul shooting trophy to Tom Roberts. John Seele and Tom Roberts were named to the all-county team and Seele also received honorable mention in the state.

Paul Outhwaite demonstrates his speed and agility in one of his many fast breaks.

This year the reserve squad, coached by Mr. Roger Sturgeon, finished the season with a respectable 7—11 record. The Redmen started out the year with victories in four out of the first five games against Norwalk, Upper Sandusky, Galion, and Tiffin Columbian, respectively. They then lost successive games to Bellevue, Wynford, Willard, and Norwalk, before snapping this four game losing streak by squeaking out a narrow 41—40 victory over Colonel Crawford. The reserve cagers then finished out the season by winning only two out of the last eight games; these wins coming against Galion, 67—41 and Crestline, 56—47. Although the Reserve record was not outstanding, the players gained experience, which will be helpful to them in their future years of Varsity action.

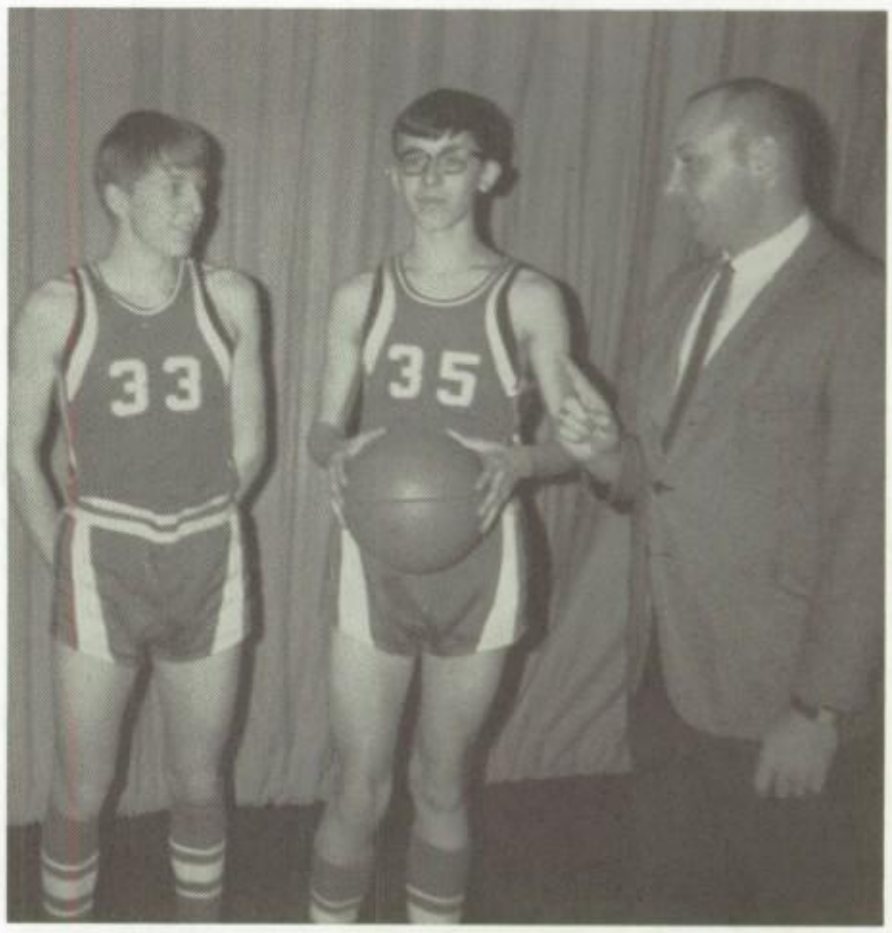
Freshmen Build for the Varsity

Freshmen basketball is a builder of good basketball players for the future Varsity squads. This year of basketball teaches the boys what it takes to participate in high school sports.

The boys learn various types of offenses and defenses that can be used against an opponent. They are also taught how to keep in shape and how to maintain physical fitness throughout the season.

This year the Freshmen squad put hours of training into their winning season that brought either joy or sadness to each and every one of the team members. Hard work paid off and these boys should be proud of their accomplishments. The whole school should take into consideration that these boys will be the Varsity of the future at Bucyrus High School.



Co-captains Joe Williams and Gary Kennedy discuss game strategy before every game with Coach Stineman.

Eighth Grade Football Team Goes Undefeated

These eighth graders appear to be challengers for varsity positions in the near future. Undefeated and unscored on in three games, the team also showed great offensive power. Below: Len Hord receives tackle pass in the late minutes of the Col. Crawford game and scores. Right: Larry Morrison violently tries for the pass that is slightly overthrown. Individuals Stand

Although their 1—7 record in dual meets was slightly lower than last year's 2—3 mark, this year's Varsity Track Team improved greatly over the team of a year ago. Track is an individual sport and success in track is measured by individual achievements. Even when victory as a team is not attained, there are always a number of outstanding individuals who deserve to be recognized.

One devoted individual is Doug Durbin, a Junior, who this year set a new school record in the two-mile run with a time of 10:57.3 Doug will be back next year and a new school record will almost certainly be set.

Rich Smith, a Senior sprinter, ran the 220-yard dash in a time of 22.9 seconds, missing the school record by .7 of a second.

Other senior lettermen this year were: Tim Raybuck, Craig Hubble, Steve Yaussy, and Rick Green.

Lettermen returning next year are Juniors, Doug Durbin, Randy Lambert, Keith Naufzinger, Ned Raybuck, Mike Saam, Melvin Slaughter, Carl Wade, and Leroy Wilson; Sophomores, Steve Foulk.

Junior High Sets New Records

This year's Freshman Track Team had an outstanding season, giving promise to the track outlook for the future. Finishing the season with an unblemished 4—0 record, the young Redmen set three new school records. Joe Williams ran the 440-yard dash in a time of 55.0 seconds, breaking the old record of 56.9. Mike Combs topped all Varsity pole-vaulters by clearing the bar at 11'0", a new record. The Shuttle Hurdle team, consisting of Combs, Lawson, Pennsinger, and Wilson, set a school record at the Mansfield Relays with a time of 68.0 seconds.

The Seventh and Eighth Grade Track Team, which finished the season with an 0—3 mark, also had its stand-outs. Most notable was Steve Slaughter, who tied the old Junior High record in the high jump by clearing a height of 5'3". The Seventh and Eighth Graders were coached by Mr. Guinns and Mr. Myers.

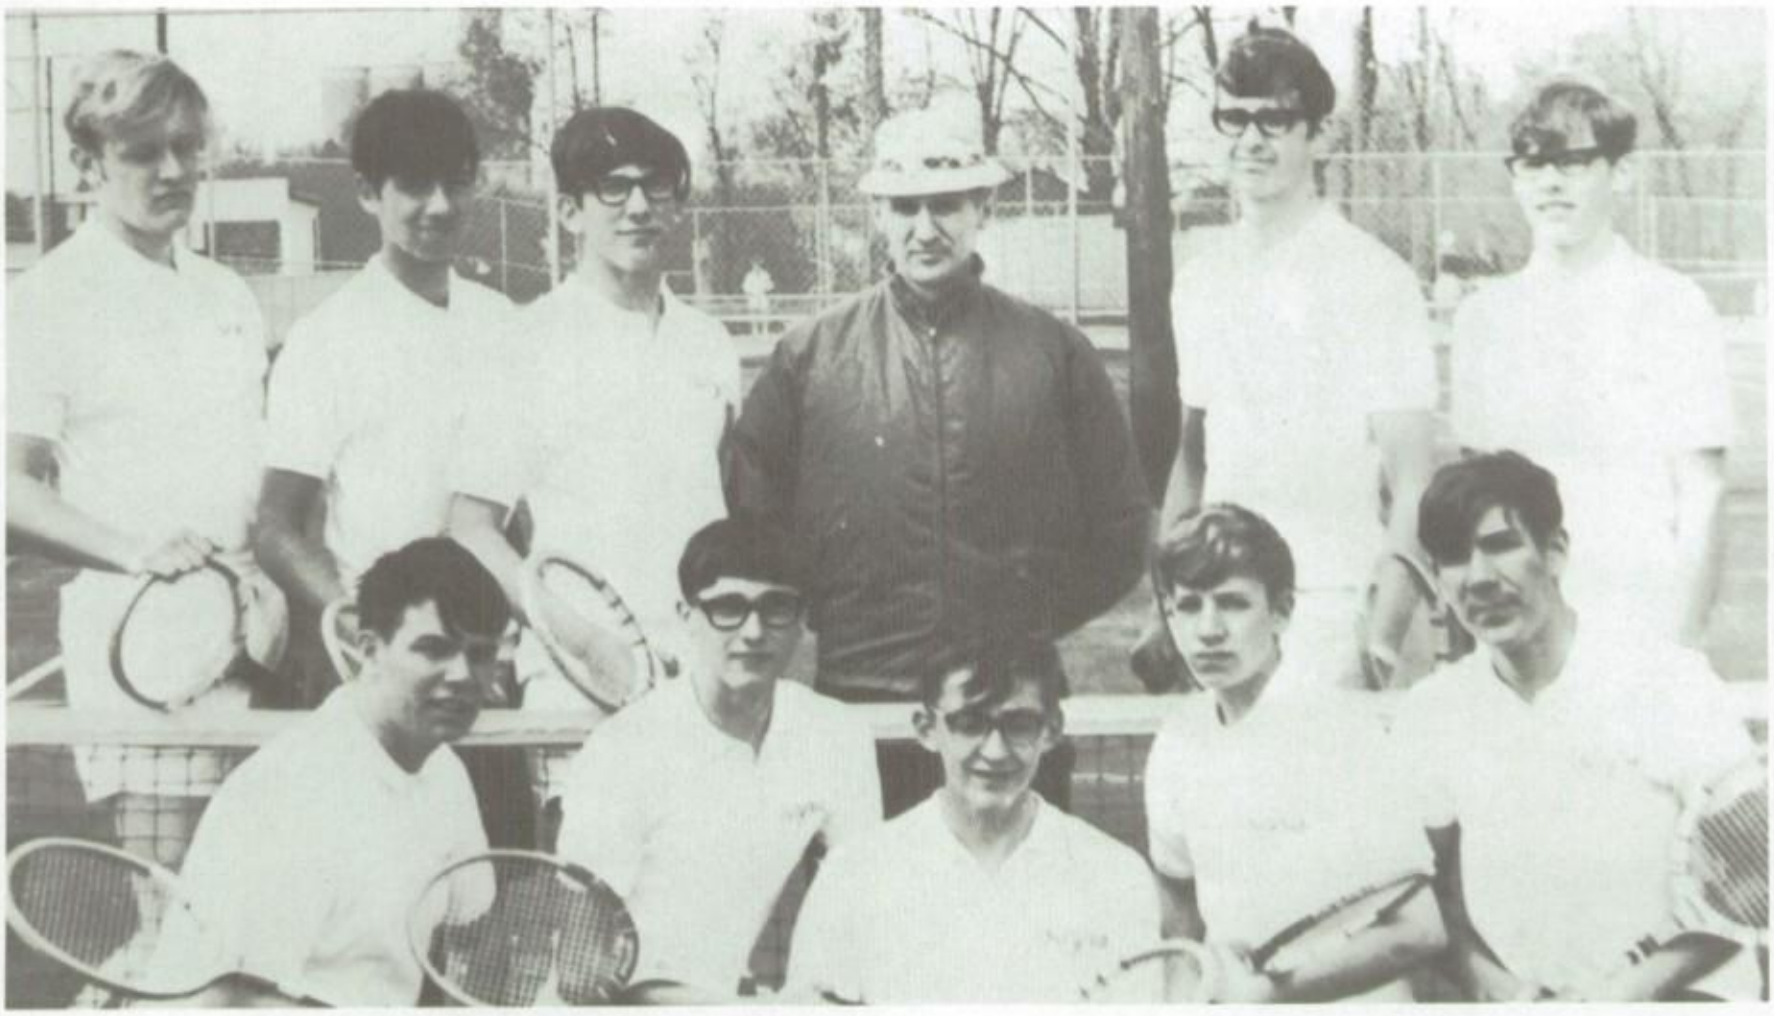
Linksmen Battle Rivals

With Golf only in its third season at Bucyrus, enthusiasm for it was steadily on the increase. Along with increasing enthusiasm for the sport, was the increasing ability to play the sport. Larry Walimire, the number one man this year, lettered for the second time. Dick Wenninger, the number two man, became the first three-year letterman in golf in the history of Bucyrus High School. The other starting golfers were John Sears and Mike Stuckman. The Redmen were once again this year coached by Mr. Jack Binnix.

Tennis Team Completes First Season with 3—10—1 Record



FRONT ROW: Dennis Stricker, Bob Kottyan, John Winsor, Jim Nelson, Dennis Brombacher; **SECOND ROW:** Dave Hartman, Bob Bonin, Dean Schell, Mr. Grandy, Randy Clady, Tom Guinther

This spring the newly formed Bucyrus High School Tennis team took to the courts. The coach was Mr. Grandy who described the season as a success despite an unimpressive record. Coach Grandy stated "the thing that defeated us was the lack of competitive experience." The members of the team this year have gained some valuable experience, and with some fine younger players coming up, Bucyrus can expect a much better and improved tennis team in the future.

Left: Coach Grandy and Captain Randy Clady discuss the play of the opposing team.

Redmen Perform Well

The Bucyrus Redmen Baseball Team finished their first season of action with a respectable 5—12 record. They finished the year in a tie for third place in the N.O.L. At one time, with only four games to go, the Redmen were top contenders in the N.O.L. But following a loss to Galion and two losses to Shelby, they were forced to settle for the third place finish.

Seniors on this year's squad were Tom Roberts, Dan Barnhart, John Gephart, Randy Tidaback, Steve Howard, and Don Borne.

Lettermen returning next year will be: Juniors, Charley Huff, Dan Stevens; Sophomores, Dick Beall, Nick Kober, and Jeff Smith.

The Redmen were coached by Mr. Charles Bowers.

VARSITY SQUAD: Jan Jones, Polly Anslow, JoAnn Ash, Jeanne Fegley, Patty Williams.

B.H.S. can truly be proud of its cheerleaders this year. The Varsity Squad was awarded two first place ribbons and one third place ribbon while at cheerleading camp this summer and also held the distinction of being named "Most Interesting Squad". The girls spent at least three nights a week preparing for the weekend games. They made locker stickers, spirit signs and crepe decorations for the halls, frames, huge posters for the games, and supplied B.H.S. students with spirit tags. During pep assemblies, they entertained the student body and faculty with pom-pom routines, skits, awarded the spirit stick to the class with the most spirit, and arranged pep talks. Tom Roberts won the title of having the "Loveliest Legs" in a contest which the cheerleaders sponsored to earn money. The squad stayed up nights making victory cookies and cakes for the team and covered their lawns and windows with spirit signs before and after important games. Also the cheerleaders directed the Pep Club during the games in songs, chants, and cheers.

Truly, B.H.S. can be proud of its cheerleaders this year. They were justifiably credited by head coaches and students for being leaders of creative spirit. They brought out of our school the spirit and pep that made this year's football and basketball seasons the best.

Patty symbolizes basketball season.

FRESHMAN SQUAD: Jodi Barker, Sue Horrell, Rita Kronenberger, Mary Montague, Jan Nicholson.

Cheerleaders Incite Strong School Spirit

The Snake Parade, rallies, pep assemblies, football and basketball games were full of spark and the cheerleaders could always bring it out of the crowd.

Friday pep assemblies brought out cheerleader ingenuity and school spirit.

Two Bucyrus Little Theater productions, **My Fair Lady** and **Suds in Your Eye** and the movie **Gone With the Wind** were attended by the Speech Club. The club also held a bake sale in December, the annual Sock Hop on December 29, and sponsored a dance after the January 17 basketball game. Officers were Steve Grimes, president; Jessie Helfrich, vice president; Fran Calkin, secretary; Bill Usher, treasurer; John Seele, sergeant of arms. Their adviser was Miss Janet Peters. They have done much to promote an interest in communication and dramatics.

Please Audiences

Hear that sound of music? No, it's not a professional troupe; it's the Bucyrus High School Senior Choir! Under the direction of Mr. Lindsay Barr, the choir undertook and mastered a number of extremely difficult numbers this year. Included in their impressive repertoire were the Liebeslieder Waltzes by Bach and a series of eighteen love-song waltzes translated from German. At the All-City Music Festival on March 29, the Senior and Junior Choirs and Senior Band received a standing ovation for their efforts. Other outstanding performances at various churches, assemblies, and the N.O.L. Choir Festival at Shelby highlighted the year.

The choir performs at the All-City music Festival.

Superior Sr. Band Adds Distinction

Regular practice sessions result in brilliant performances.

Headed by students Roberta Lambert, Randy Bevan, and Jan Ekleberry, the Senior Band marched its way to a successful year. In their new uniforms, the band entertained the crowds at the football games with some spectacular half-time shows. Director Mr. Rohrbaugh led the band in several concerts throughout the year. Climaxing the season was the Spring Concert and the presentation of the Arion Award to an outstanding Senior member, Bobbi Lambert.

Jr. Band Gives Young Musicians Experience

Training individuals to perform on musical instruments and to be part of a performing group is the purpose of the Junior Band. This group so increased in popularity that it mushroomed into 135 members forcing a division into two groups: a concert band of all members and a select wind ensemble of 90.

Various band camps, a Halloween dance at Camp Michael, plus giving many superb performances occupied the members of the Jr. Band. The annual party in May, the solo an ensemble contests at Elgin High School, and the May 11 band contest brought a busy year to a successful conclusion

On the drums for the band are Tim Widman and Marcia Sack.

School Board Plans New High School

The Board of Education, as elected officials, represent the citizens of the community and establish policies that will effect the best schools possible for Bucyrus. Recognizing that these men spend tedious hours in meetings in behalf of a good educational system, and that they do this plus filling the demands of a regular occupation, prompts us to express intense gratitude for their efforts.

Dr. John P. Toth, Superintendent

Dr. John P. Toth came to Bucyrus to head the school system two years ago. Coming from Dayton, he had previously received both Master's and Doctorate degrees from Ohio University. He has the responsibility of guiding the plans for building the new high school.

Mr. Alex Kish who has been thirty-six years in the Bucyrus school system as a teacher or as junior high principal, accepted the challenge of becoming high school principal this year. He ably led in the demanding task of keeping high school functions moving.

Mr. Joseph D. Carter, present junior high principal, came to Bucyrus this year from Toledo. He quickly acquainted himself with the many seventh and eighth grade pupils whom he guided in friendliness and firmness. He was called upon to assume the responsibilities of high school principal during the illness of Mr. Kish in April and May.

Functioning School

A true education includes much more than the old standards of reading, writing, and arithmetic. Today it is recognized that these form only the base upon which a complete education is built. In order to develop a complete and well-rounded education it is necessary for the student to reach out and develop the talents which he possesses and to explore his hidden talents.

During the time he spends at BHS a student has the opportunity to do this through either the sports program or the much-less-publicized academic program.

When a student distinguishes himself on the athletic field everyone knows about it. Much glory goes with scoring the winning points.

However, when a student displays outstanding creative or academic ability, he is all too often overlooked.

If a student chooses to express himself academically while at BHS, he has many opportunities to do so before he leaves. There are opportunities for the student to express himself musically through either the instrumental or vocal music programs. BHS students may express their creativity through art or the vocational arts.

BHS students can express their academic talent through a variety of competitions. A student who is interested in drama or public speaking may audition for a part in the senior class play or enter one of the public speaking contests held at BHS each year. Outstanding science students may create science projects which may take them all the way to Columbus in the state science fair competition. For the superior classroom student there is an opportunity to represent BHS at the Ohio District State Tests of Scholastic Achievement at Heidelberg College. There are other numerous awards and competitions in practically every other field.

Perhaps the greatest honor is to be named to the National Honor Society. This indicates all-around excellence in academics as well as high class standing, character, leadership, and service. On these pages are pictures of a few students who are seeking to develop their talents and some of the faculty who assist in the process.

Pupils Express Themselves in Many Ways

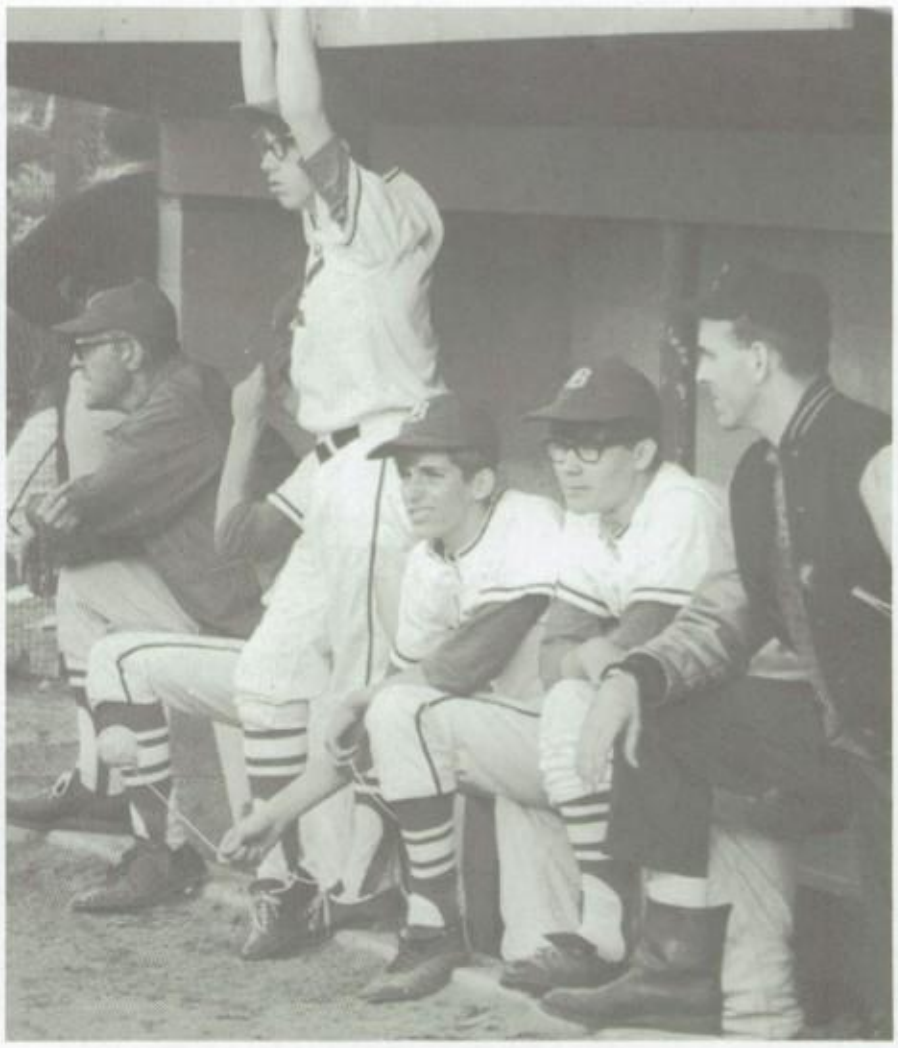
One of Mrs. Millar's English classes on camera.



Opposing baseball teams must look out for Mark, Jeff and Jim in the future.

Sophomores wore stunning outfits on Dress Down Day as shown by Roxanne, Mary, Becky, and Marie.

Varied Inclinations

Tom Kanuk and Dave Bowman were two of the many sophomores out for track.

Home Ec. develops a pinwheel of different skills. One skill is sewing. Rhonda Hart models a dress she made.

A constant fan at track meets was Vicki Pedmore.

Sara McKinley works diligently on her book report.

With hopes of being the first in the new school Sophomores check on its progress.

A Timken® bearing never asks about your race, color, creed or national origin.

The quality of our products depends upon the ability of the men and women we employ.

So it's no surprise that our employment policy is based only on your ability. Not on your place of birth, your religious faith, or the color of your skin.

One of our vice presidents describes it this way: "We hire ***people***." We also recruit ***people*** on college campuses, train ***people*** in apprenticeship programs, promote ***people*** to better, more responsible jobs.

Our long-standing policy has been clearly and simply stated and restated as follows:

"The Timken Roller Bearing Company reaffirms its policy of treating all employees and applicants, whether or not they are members of minority groups, equally according to their individual qualifications, ability, experience and other employment standards."

It means we can select from all qualified job seekers, not just a chosen few. It gives us a larger labor market from which to pick.

And that's what we pick . . . the qualified. It takes qualified people, working under the best conditions, to make the best Timken® bearings, Timken steel and Timken rock bits.

The Timken Roller Bearing Company.
